## Green Campus Policy

A Green Campus is a place where environmental friendly practices and education system jointly promote sustainable and eco-friendly ambiance in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind. Green Campus status is achieved by making significant progress in cross campus community collaboration under one or a number of the following themes

Institute protects its own environment with its green campus policy and keeps its campus pollution free. We undertake green audit to ensure balance between environment and educational performance of the institution. The college administration is having environmental consciousness. Therefore, a special focus is given on the plantation of saplings and their nourishment. Every year, tree plantation is done on the college campus during the rainy season. Thus, college undertakes environment friendly practices to maintain eco-friendly balance in the college campus.

The institutional initiatives for greening the campus are as follows:

1. Pedestrian Friendly pathways
2. Ban on use of Plastic
3. Landscaping with trees and plants

### **Pedestrian-friendly pathways**

- Campus follows the Pedestrian-friendly pathways in all the buildings.
- Pedestrian-friendly pathways are properly marked with suitable logo/sign.
- **Ban on use of Plastic**
- The college continuously committed to work towards plastic-free campus.
- In the campus there is complete ban on single-use plastics in class room, labs canteens in the institution's premises and hostels.
- **Landscaping with trees and plants**
- As per the green practices in the campus is moving in the direction of a Green Institution is planting more trees within and outside the campus.
- Medication plants and more fruit plants and trees have been planted to clean the atmosphere
