IEDC Project "HELIOS" AT STARTUP ISTANBUL CHALLENGE – 2017

Project HELIOS (Students Team of Mr.Jasvinder Singh, Mr.Garvit Joshi and Mr.ChaitanyaDandvate guided by Mr.Dharmendra Pathak) , funded by IEDC has been selected among top 100 start-ups of the world for the event STARTUP ISTANBUL CHALLENGE – 2017. Team pitched this project at this event organised at Istanbul, Turkey.

MICROSOFT IMAGINE CUP-2017

A student team from computer science department comprising Garvit Joshi, Chaitanya Singh, AakashMundhare and Hardik Tiwari developed an application which assists and diagnoses the patients of Alzheimer's and other degenerative diseases. The application hopes to reduce medical expenses and man hours. This project named as "Mi-amigos" secured second position in Microsoft Imagine Cup-2017.

Narendra Bhandari (General Manager, Developer Experience and Evangelism) with Team Mi-amigos (Chameli Devi Group of Institutions), First Runner-Up at Imagine Cup 2017
