### Event Report on

### "GENDER EQUALITY AND SENSITIZATION"

**Date: 10/12/2022.**

**Event: An expert session on "Gender Equality and sensitization"**

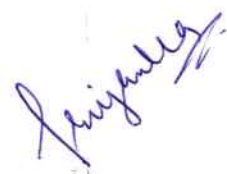

We all lose value as a result of gender bias, which threatens our social fabric. It is not merely a matter of human rights; there is a vast amount of untapped human potential in the world. By denying women the same rights as males, we prevent half of the population from experiencing life to the fullest. All people around the world will benefit from political, economic, and social equality for women. By working together, we can end prejudice and promote equality for all people. The Women Development cell of the CDGI group is committed to advancing women's human rights and achieving gender equality. We advocate for women and girls to equally enjoy all human rights, such as the right to be free from violence, the right to an equal sexual and reproductive life, the right to access justice, the right to socioeconomic equality, and the right to vote.

With the vision for gender equality, Women Development cell of CDGI organized an expert session on Gender Equality and sensitization issue on 10th Dec 2022 for the students of CDGI. The expert for the talk was Dr. Preeti Kasliwal, an academican and recipient of young Scientist award and having years of experience in dealing on the topics related to gender equality and women development. She spoke on the gender discrimination in Indian society, upbringing and work culture. She pointed out what exactly the meaning of gender discrimination, and how to make the nation free of this discrimination. She focused on equality for all irrespective of any gender bias.

#### Introduction

Women are progressing by passage of time. As India is becoming a growing economy, women's meaningful participation has become crucial for growth and development of the country and both men and women are seen in all sectors like education, Banking, Corporate and both organized and un-organized sectors. Hence, women's safety has become an important area of concern for us all. It has therefore become necessary to increase sensitivity of both men and women about their need for safety. And it has become the need of the hour to train girls in self-defense.

*Principal*  
Chameli Devi Group of Institutions  
INDORE

Hence, to meet such an important need of our girl students, a workshop was conducted for all first year girl students to sensitize them on the issue of women's safety including cyber-crime and make them aware of the ways to protect them through self-defense.

The Government of Madhya Pradesh is highly supportive and the Police Department very kindly graced the occasion to add quality. We on behalf of Chameli Devi Group of Institutions extend our gratitude for their meaningful participation.

### **Objectives**

1. To address and educate the girl students about the different types of violence against them.
2. To make a girl child aware about the Women rights and the action to be taken when encountered with any kind of violence.
3. The different tips of self-protection to keep in mind in different situations.
4. To train the girl regarding their safety and tricks to get rid of the potential threats in everyday situations.

### **Proceedings of the day:**

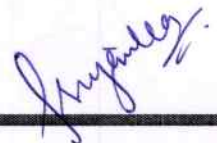

The workshop started with a Welcome address by Dr. Joy Banerjee, Director Chameli Devi Group of Institutions. He highlighted the key points why such kinds of workshops are required to sensitize our girl child/students to self-protect themselves in public places as well as at home.

The session is a dual mode session where some of the police department heads has taken the lecture regarding the violence against girl, whereas the second part was conducted in the form of workshop for training of girl students for their self-protection.

In the Session, Ms. Clare Damore, Mahila suraksha shakha Inspector, Indore has given her views regarding human trafficking, and she discussed with the girl students some case studies regarding the child abuse as well as women trafficking in India.

This proceeds with informative, interactive session by Ms. Manisha Pathak, ADCP, Headquarters, regarding the role of women in society as well as the role of male counterparts in the development of Violence free nation. She also pointed out that this is the demand of the hour as we can relate ourselves to the news items of domestic violence, eve-teasing cases and other severe forms of violence against women and children which is pouring in on a day-to-day basis.

At the last Mr. Ashutosh Mishra, ACP, Mahila suraksha shakha, has given his words of wisdom on cyber crime and cyber security. He addressed the students to use the technology in proper way so that the student may not indulge into any kind of loss, may it be physical/ emotional or financial.

**Principal**

The Self-defense trainer, Mr. Vikram Deoda, from Swayam siddha department of police has taken the workshop on self-defense along with his team members. They have shown some tricks to girl students so they may protect themselves against any trouble/ threat they may face. He also aware the women/ girl students regarding how to place an FIR and while you are protecting yourself what actions should be taken so as to make your defense in proper manner.

## WOMEN DEVELOPMENT CENTRE

### Event Report

**Date:** 12/01/2023

**Event:** Fitness Training/ Challenge

Women Development centre of CDGI along with the NSS club, has conducted a Fitness training / challenge for the first year students of CDGI, CDIPS, MBA & CDIL students on 12/01/2023, as a celebration of National Youth day.

The birth anniversary of Swami Vivekananda also called Swami Vivekananda Jayanti is celebrated every year on 12 January. He was born on 12 January 1863. The government had decided to observe it as **Rashtriya Yuva Diwas** because the philosophy of Swami ji and the ideals for which he lived and worked could be a great source of inspiration for the Indian Youth. He had given a speech at the Parliament of the World's Religions in Chicago and glorified India's name.

The event was planned for first year students in which the girls and boys of group institutes has participated. It was planned to make student aware regarding the fitness of students (the Youth of our country) and to make them aware about the importance of fitness of the youth.

The activities included in the fitness training include:

- Surya Namaskar
- Pranayam & Yogasans

Students from both the group institutes have enjoyed the session. The WDC committee member Dr. Purnima Shrivastava has trained the students for Surya Namaskar along with the student coordinator. Pranayams and some yogasans were performed on the ground in front of CDIPS building by both coordinating team faculty as well as students.

All student participants have enjoyed the session.

**Participating Students:** CDGI, CDIPS, MBA & CDIL first Year students.
