Dear Sir/Madam

In response your email, it is informed you that your Institute is selected to attend the ICT Mode STTP on "Assessment and Evaluation under Outcome Based Education (ICT04)" will be held from 10/06/2019 to 14/06/2019, coordinated by Dr. Urmila Kar, the said course will be started from 10:30 a.m.

Institute ID & Password created and send it on 08/06/2019

All selected participants are requested to attend the class regularly and attentively.

Thanking you,

--

One Week STTP on Assessment and Evaluation under Outcome Based Education

Date: 10/06/2019 to 14/06/2019

Organized By: CDGI in association with NITTTR Kolkata

Expert Name: Dr. Urmila Kar

Attended By: 49 Participants (47 from CDGI)

Brief Report:

A short-term training program on Assessment and Evaluation under Outcome Based Education was organized in association with NITTTR Kolkata. This was an ICT based STTP. Dr. Urmila Kar was the expert person for this STTP.

The STTP started with the welcome to all the participants by the coordinator and he briefed about the objective to conduct this STTP.

Dr. Urmila Kar started the STTP with basic different in traditional education system and what is expected today as per the need of Outcome Based Education.

Below topics were covered during the STTP:

- Introduction of Outcome Based Education
- Traditional Education System
- Introduction of NBA (National Board of Accreditation)
- Role of teacher in Outcome Based Education
- Assessment and its types
- Learning Outcome
- Bloom's Taxonomy with its examples
- Course Outcome
- Attainment and its methods
- Rubric and its types
- Direct and Indirect Assessment
- Assessment tools and its reliability

Dr. Urmila Kar very nicely explained the topics in detail with relevant examples during the STTP. All participated attempted the quiz on the last day which was provided by Dr. Urmila Kar.

STTP Coordinator Mr. Radheshyam Acholiya proposed the vote of thanks for the successful completion of the STTP.

Profile of the Speaker:

Dr. Urmila Kar is Professor in Education and Management at NITTTR Kolkata. Her areas of interest are Nonlinear System Dynamics and Control, Fuzzy Logic Control, Engineering Education, Competency Based Curriculum Design and Design & Implementation of Outcome Based Curriculum.

Accredited with 'A' grade by NAAC

Rajiv Gandhi Proudyogiki Vishwavidyalaya (RGPV), accredited with 'A' grade by NAAC, established in the year 1988 is truly a picture of modernization offering learner-centric programmes in Engineering, Pharmacy, Architecture & Management. University is sprawling over a vast campus of 241.4 acres, marching towards development into a center of excellence in the arena of Technical Education, Research and Innovations.

Under its umbrella there are 05 U.D.S., 188 affiliated Engineering Colleges, 69 Pharmacy Colleges, 25 MCA Colleges and 05 Architecture colleges imparting Graduate level institutions offering 23 under graduate and courses & 64 post graduate level courses. Situated in a vibrant and healthy surrounding, the University is now offering Ph.D. insight facilities.

RGPV has been selected by Ministry of Human Resource Development (MHRD) as one of the Affiliating Technical Universities (ATUs) among ten across the country for receiving TEQIP-III grant. The most objective of Faculty Development Programme (FDP) is to improve quality and equity in engineering teachers in order to upgrade the knowledge, enhancing research and teaching skills.

One Week

Faculty Development Programme

Machine Intelligence and Applications

(24th to 28th Oct. 2018)

Organised by

Rajiv Gandhi Proudyogiki Vishwavidyalaya

Under

TEQIP - III

Department of CSE / IT

Chameli Devi Group of Institutions

Khandwa Road, Indore, Madhya Pradesh 472001, India
Email: hod@cse@cdgi.edu.in, ccpp300418@cse@cdgi.edu.in

About FDP:

Machine Intelligence and Applications aims to bring together leading academicians, researchers and faculties to exchange and share their experiences in research methodologies in all aspects. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Machine Intelligence and Applications.

Resource Persons:

Experts from IITs, NITs and renowned industries will deliver talks along with hands-on practice during the programme.

Major topics to be covered:

- Introduction to Machine Learning and its Algorithms
- Applications of Machine Learning in various areas
- Recent developments and future development scope in the research area
- Fundamental of Deep Learning and difference between Machine learning and Deep learning
- Current development and hands on practices (e.g. NLP, Biometrics, Bioinformatics)

Outcome of the Programme:

After successful completion of the programme, participants shall be able to:

1. Identify various Artificial Intelligence and Machine Learning tools used for teaching and research.
2. Build the concept of AI using Machine Learning among the participants.
3. Make use of the best practices for information dissemination using Machine Intelligence.
4. Sharing the knowledge and learnings of the programme with students at their respective institutions.

Important Dates:

- Programme Duration: 24th to 29th October 2018
- Last Date for Registration: 16th October 2018
- Intimation to selected Participants: 19th October 2018

About CSE/IT Deptt.

Baptized in an arduous spirit, **Chameli Devi Group Institutions** took its first step in July 2000 with a vision to design future scientifically. Within a short span of 17 years the Institute has attained a strong footing amongst all the technical colleges of Madhya Pradesh. It is affiliated to RGPV, Bhopal and approved by AICTE, New Delhi. CDGI offers UG courses in live streams and Master's degree programme in Business Administration.

About CSE/IT Department

The department has a team of highly qualified faculty and technical staff which consistently explores new dimensions in the field of technology. All faculty members have completed M.E./M.Tech degree and are pursuing research in their respective areas. The Computer Science & Engineering as well as Information Technology Department aims to provide a strong foundation for quality education and research/development. The academic affiliations with various industries and reputed institutions such as Zensar Technologies, Microsoft Training Center, Aakash Development Center IITB and SaRobots helps our students to prepare themselves as per industry demand.

Registration and Hospitality

- Faculty members, Ph.D. Scholars of reputed Universities can register for this FDP.
- As per norms only 40 seats are sanctioned and will be allotted on first come first serve basis. Please register yourself as soon as possible.
- Those who wish to attend the FDP are requested to complete the registration form before 16th October 2018 either online or offline.
- Tea/ Snacks and lunch will be provided free of cost during FDP.
- Accommodation and driver will be made available for outside participants on payment basis (in CDGI campus) if requested in advance.

How to Apply:

- **Online Mode:** Please fill the google form using the link: <https://forms.gle/3v3v3v3v3v3v3v3v>
- **Offline Mode:** Download the form from www.cdgi.ac.in and send the same with signature of head of institution, scan it and mail to cdgi@cdgi.ac.in. Also submit a hard copy of CDGI registration form at the time of registration.

One Week FDP on Machine Intelligence and Application

Date: 24/10/2018 to 28/10/2018

Organized By: Department of CSE/IT under TEQIP-III RGPV

Attended By: 43 Participants (24 from CDGI)

Brief Report:

A one-week Faculty Development Program on Machine Intelligence and Application was organized by department of CSE/IT in association with TEQIP-III RGPV. This was an FDP where the department received the funding from TEQIP-III RGPV. Total 43 participants from different Institutions participated in the FDP and 24 out of 43 were from the CDGI.

Mr. Shailendra K Mishra, HOD CSE was the coordinator for the FDP and Mr. Jasvant Mandloi, HOD IT was the co-coordinator for the FDP.

The five days FDP programme was conducted in 19 interesting and knowledge imparting sessions by experts from various IITs, IIITM, NITs and deemed universities of MP and Gujarat touching broad segments of Computer Science and Information technology. The objective of this FDP was to foster the level of technical teaching and research aptitude of the young faculty members, either doing research or planning to undertake research work under the domain of Computer Science and IT.

FDP covered various domains with different technical sessions imparting knowledge from networks to neural networks, big data to machine learning, research paper writing to thesis writing etc. The program also intended to develop the knowledge of participants in simulation with advanced software in the relevant fields of computer science.

Inauguration session:

The programme was inaugurated in the morning by Dr. Ketan Kotecha Dean and Director, Symbiosis University, Pune, Dr. K.S. Jairaj Dean CDGI, Prof. K. Shrikant Incharge IEDC cell CDGI, Mr. Shailendra Kumar Mishra HOD CS department and Mr. Jasvant Mandloi HOD IT department. The inauguration was followed by the felicitation of Chief Guest by Mr. Jasvant Mandloi HOD IT department. FDP co-coordinator Mr. Shailendra Kumar Mishra addressed the programme and motivated the faculty members by his valuable words. FDP Co-ordinator Mr. Jasvant Mandloi presented a memento to Dr. Ketan Kotecha Dean of remembrance.

Validictory Session:

Dr. Rakesh Saxena Director SGTIS Indore was the Chief Guest of the Validictory session of the 5 days Faculty Development program organized by RGPV Bhopal under TEQIP -III hosted by CDGI, Indore. He addressed the gathering by discussing the importance of faculty

Dr. Ketan Kotecha
Principal
Symbiosis Group of Institutions
INDORE

development program and the importance of teaching. He has more than 3 decades of teaching experience.

Dr. K.S. Jairaj Dean CDGI felicitated the Chief Guest Dr. Rakesh Saxena.

During this 5 Days FDP session, Experts from the various renowned institutes such as IIT, NIT, and universities as well as from Industries across India showed their presence. Experts shared their knowledge, experience and research work with the Participants so that they can utilize the knowledge in their research work as well. Experts provided the hands-on Training session on the various tools such as Orange Canvas tool, WEKA etc.

The five days FDP ended with Vote of Thanks given by Mr. Jasvant Mandloi Head IT department. A memento was given as a token of remembrance to Chief Guest Dr. Rakesh Saxena by Mr. Shailendra Kumar Mishra Head CS department.

One Week STTP on Automated Manufacturing System

Date: 01/07/2019 to 05/07/2019

Organized By: CDGI in association with NITTTR Kolkata

Expert Name: Shri Nirmal Kumar Mandal

Attended By: 30 Participants

Brief Report:

A short-term training program on Automated Manufacturing System was organized in association with NITTTR Kolkata. This was an ICT based STTP. Shri Nirmal Kumar Mandal was the expert person for this STTP.

Coordinator Dr. Arvind K. Shrivastava welcomed all the participants on day 1 in the ICT mode STTP and he briefed about the objective of the STTP.

Shri Mandal started the STTP with basics of Automated Manufacturing System. He discussed about the schedule of this 5-days STTP with the participants.

Below topics were covered during the STTP:

- Introduction of Automated Manufacturing System
- Fundamentals of Automation Technologies
- Virtual Simulation
- Industrial Automation
- Industrial Automation with electro hydraulics and electro pneumatics
- Sensorics
- PLC: Basics, Hardware/ Software and Programming
- Industrial and field robotics
- Hands on Training sessions in Hydraulics, Pneumatics, PLC, Sensorics and robotics

The expert explained the topics in detail with hands-on sessions. On last day, quiz and feedback were taken from all participants by NITTTR Kolkata.

STTP Coordinator Dr. Arvind Shrivastava proposed the vote of thanks for successful completion of the STTP.

Profile of the Speaker:

Shri Nirmal Kumar Mandal is Associate Professor in Mechanical Department at NITTTR Kolkata. Education and Management at NITTTR Kolkata. His areas of interest are Graphics, Automated Manufacturing System, Automation, FEM, CAD/CAM and allied areas.

Dear Sir,

Greetings for the day!!

The purpose of this mail is to acknowledge to you that we have received certificates of both STTP on topic "Control & Automation" and "Problem Based Learning".

The expenses amount of "Control and Automation" STTP was also received. The amount of "Problem Based Learning" STTP is yet to be received.

I will acknowledge you once received the same.

Thank you for providing us the opportunity to organize and participate in ICT Based STTP. And also ensure for the active participation in upcoming STTP.

One Week STTP on Control and Automation

Date: 18/11/2019 to 22/11/2019

Organized By: CDGI in association with NITTTR Kolkata

Expert Name: Dr. Sagrika Pal

Attended By: 36 Participants

Brief Report:

A short-term training program on Control and Automation was organized in association with NITTTR Kolkata. This was an ICT based STTP. Dr. Sagrika Pal was the expert person for this STTP.

Coordinator Mr. Radheshyam Acholiya welcomed all the participants and briefed about the objective of the STTP. He briefed about the scheduled of the STTP received from NITTTR Kolkata. He introduced the expert with the participants.

Dr. Sagrika Pal started the STTP with introduction of Control System and importance of Automation in Industry.

Below topics were covered during the STTP:

- Devices and Instruments
- Process Measurement and Control
- Automation Systems for Control and Data Acquisition
- Wireless Sensor Networks
- Access Control
- Networked control systems
- Measurement and control in complex and cyber physical system
- Condition monitoring, fault detection, diagnostics and prognostics
- Smart energy systems
- Robust Adaptive Control And SCADA
- Navigation, Guidance and Control
- Biomedical Engineering Systems
- Wide Area Monitoring and Control

The expert covered the above topics with some real-life applications and hands-on session. On last day, quiz and feedback were taken from all participants by NITTTR Kolkata.

STTP Coordinator Mr. Radheshyam Acholiya proposed the vote of thanks for successful completion of the STTP.

Profile of the Speaker:

Dr. Sagrika Pal is Associate Professor in Electrical Engineering at NITTTR Kolkata.

About CDGI

Chameli Devi Group of Institution is philanthropic initiative of well-known Agrawal Group of Madhya Pradesh. It was started in the year 2006 by his Holiness Shri Awadeshanda Giriji. It has a sprawling lush green 20-acre campus on Khandwa Road. With a reputation of being an institute known for discipline, sincerity, regularity and academic excellence of students, our institute has become a trusted abode for students aspiring to become technocrats in the true sense and spirit. CDGI offers UG course in five streams and Master's Degree programme in Business administration. With a short span of 14 years the institute has attained a strong footing amongst all the technical colleges of MP. It is affiliated to RGPV, Bhopal and approved by AICTE, New Delhi.

About IT/CSE Department

The department is under guidance of Dr. Joy Banerjee, Group Director and strong vision of Dr. K. S. Jairaj, Dean, CDGI, a team of highly qualified faculty and technical staff explores new dimensions in the field of technology. The Information Technology and Computer Science & Engineering Department aims to provide strong foundation for quality education and research development. The academic affiliations with various industries and reputed institutions such as Zensar Technologies, Microsoft Training center.

About FDP

Data Analytics using R aims to bring together leading academic, researchers and faculties to exchange and share their experiences and research methodologies results on all aspects. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations and trends of Data Analytics.

Objective of FDP

To explore theory and practices in the field of Data Analytics. To learn various tools, methodologies and application of data analytics using R concepts. The program focuses on exploring various research opportunities and challenges in real world problems.

Principal
Chameli Devi Group of Institutions
INDORE

Resource Persons:

Experts from NITTTR, IITs, NITs and various industries will deliver talks and hands-on during the programme.

Outcome of the Programme

After successful completion of the programme, participants shall be able to:

- Identify various tools of data analytics used for teaching and research.
- Build the concept of data analytics using R among the participants.
- Make use of best practices for analysis of data and conclusion using Data Analytics.
- Sharing of knowledge with the students at their respective colleges learnt during the programme.

Who Can Attend FDP

Faculty members from institutions affiliated to Rajiv Gandhi Technical University, Bhopal Madhya Pradesh, will participate in the event.

Important Date

FDP Duration: 8th to 12th June 2020

Last Date for Registration: 7-June-2020

Intimation of selection of Participations: 7-June-2020

Note:

FDP will be conducted in online mode, so maximum 500 faculty members can participate on FCFS basis.

Course Fee:

Funding support from RGPV Bhopal under TEQIP-III, MHRD, Govt. of India permits us to offer the FDP without any course fees.

How to Apply:

Interested participants needs to register on RGPV TEQIP Portal <http://teqip.rgpv.ac.in>, after completion of registration mail the PDF to hod.it@cdgi.edu.in.

PATRONS:

- Hon'ble Prof. Sunil Kumar, Vice-Chancellor, RGPV

One Week FDP on Data Analytics using R

Date: 08/06/2020 to 12/06/2020

Organized By: Department of CSE and IT under TEQIP-III RGPV

Attended By: 172 Participants (63 from CDGI)

Brief Report:

A one-week faculty development program on Data Analytics using R was organized by Department of CSE and IT under TEQIP-III RGPV. This was a sponsored FDP by the TEQIP-III RGPV.

Coordinator Mr. Radheshyam Acholiya welcomed all the participants and briefed about the objective of the FDP. He briefed about the scheduled of the FDP.

Schedule of the FDP:

Day, Date & Time	Session I (10:00-12:00)	Session II (2:00-4:00)
Day 1: 8 June, 2020	Topic: Introduction of Data Science, datasets, Data Frames and Machine Learning using R. Speaker: Dr. Ashish Kumar Parejiya	Topic: Introduction to Data Structure, Data Manipulation in R & Practice session Speaker: Dr. Mohit Jha
Day 2: 9 June, 2020	Topic: Data Analysis Using R programming with its Installation. Speaker: Mr. Amit Jain	Topic: Data Visualization, Graphical Analysis using R Speaker: Dr. Ashish Kumar Parejiya
Day 3: 10 June, 2020	Topic: Clustering in Data Mining, Data Pre-processing and Linear Regression Speaker: Dr. Vivek Tiwari	Topic: Data Science and Machine Learning using R Programming Speaker: Dr. Ramgopal Kashyap,
Day 4: 11 June, 2020	Topic: Predictive Analytics using R- Logistic Regression Speaker: Dr. Ashish Kumar Parejiya	Topic: Hypothesis Testing -I Speaker: Dr. Shikha Sharma
Day 5: 12 June, 2020	Topic: Hypothesis Testing -II Speaker: Dr. Shikha Sharma	Topic: Big Data Analytics: Challenges and Opportunities Quiz and Valedictory Speaker: Mr. Shailendra K Mishra

The FDP was combination of theoretical knowledge with hands-on experience with real datasets.

In the Validatory Session, participants shared their feedback and appreciated the efforts of the Institute for the successful completion of the program.

One Week STTP on Problem Based Learning

Date: 02/12/2019 to 06/12/2019

Organized By: CDGI in association with NITTTR Kolkata

Expert Name: Dr. Arpan Kr. Mondal, Dr. Indrajeet Saha, Dr. Sagrika Pal and Dr. Kinsuk Giri

Attended By: 40 Participants

Brief Report:

A short-term training program on Problem Based Learning was organized in association with NITTTR Kolkata. This was an ICT based STTP. Dr. Indrajeet Saha was the main expert person for the STTP, apart from him Dr. Arpan K Mandal, Dr. Sagrika Pal and Dr. Kinsuk Giri also took some sessions of the STTP.

Coordinator Mr. Radheshyam Acholiya welcomed all the participants and briefed about the objective of the STTP. He introduced the experts with the participants.

Dr. Indrajeet Saha briefed about the schedule of the STTP which was as follows:

Program Schedule

	10.00 - 13.00			13.00 14.00	14.00-17.00
02.12.19 (Mon.)	Registration / Inauguration			L U N C H B R E A K	Why PBL and Its Curriculum (IS)

05.12.19 (Thu.)	Implementation Issues of Problem-based Learning (AKM)				Role of Tutor and Students in PBL (AKM)
06.12.19 (Fri.)	Case Study (IS)	Case Study (SP)	Case Study (KG)	Case Study (AKM)	Debate

Dr. Indrajeet Saha
NITTTR, Kolkata, WB

Indrajeet Saha
Principal
Chameli Devi Group of Institutions
INDORE

Below topics were covered during the STTP:

- Devices and Instruments
- Traditional Teaching and its Problems
- Relation between Instruction and Learning
- Overview of PBI
- PBI Curriculum
- Active Learning
- Characteristics of Assessment and Evaluation tools
- Role of tutor and student
- Case Study (PBI in Electrical Engineering)

All the experts discussed the root causes and briefed about the role of individual in this learning process. On last day, quiz and feedback were taken from all participants by NITTR Kolkata.

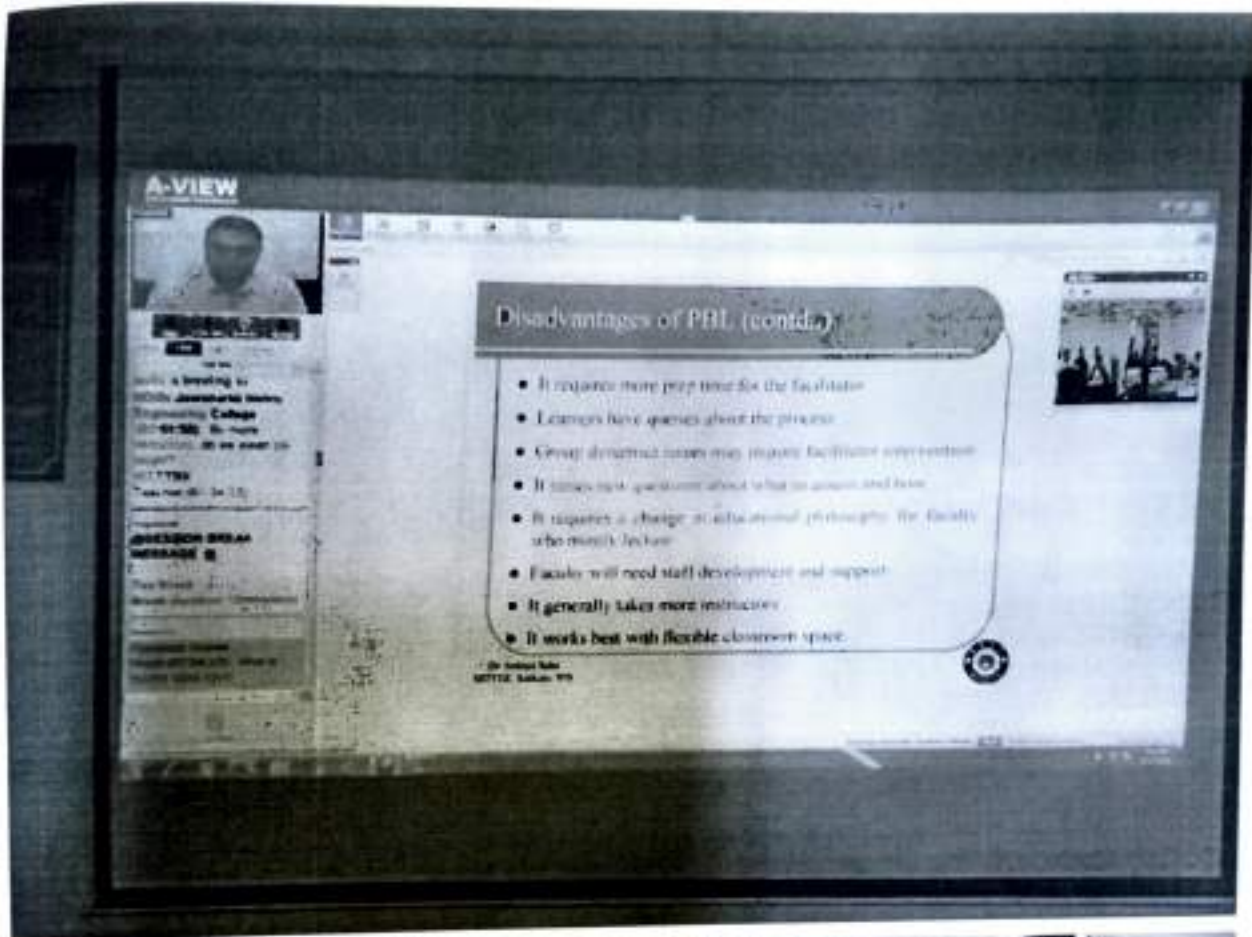

STTP Coordinator Mr. Radheshyam Acholiya proposed the vote of thanks for successful completion of the STTP.

Profile of the Speaker:

Dr. Saha is a faculty member in the department of Computer Science and Engineering, NITTR, Kolkata. He has done his postdoctoral research at the National Research Council, Italy and University of Wroclaw, Poland. He was the visiting research scientist at CWI, Netherlands, INRIA France, IIT-CNR, Italy, ICM in University of Warsaw (UW), Poland. He received his Ph.D. degrees in Computer Science and Engineering and Bioinformatics from Jadavpur University and Polish Academy of Sciences after completing B.Tech and M.Tech. He has co-authored about 50 research papers in various International Journals and Conferences. Dr. Saha is an active member of the board of reviewers for more than 10 International Journals. His research interest includes Education Technology, Computational Intelligence, Computational Biology, Machine Learning, Image Processing and Pattern Recognition.

ONLINE- FACULTY DEVELOPMENT PROGRAMME

On

“Machine Learning with Python”

Date:07/12/2020 to 12/12/2020

Activity: Online FDP on “Machine Learning with Python”

Organized By: Computer Science & Engineering Department

Expert Name: Mr. Shreyas Pagare

Attended By: 38 Participants

Objective & Aim:

The Objective to organize One Week Faculty Development Programme on “Machine Learning with Python” was to understand the Python Programming Language with Implementation of Various Machine Learning Algorithm on Hand on. The FDP was organized with real-life examples to provide practical knowledge which helps Faculties to enhance their teaching skills.

Profile of the Speaker:

The training session was taken by **Mr. Shreyas Pagare**, Assistant Professor from Computer Science & Engineering Department, CDGI. He is a certified trainer of Microsoft Technology Associate Certificate in Python Programming and had 13 years experience of teaching.

Invitation

We are pleased to invite you to the "Faculty Development Program Organized by Department of Mechanical Engineering, CDGI on Hands-on Experience on Solidworks" scheduled from 7th to 12th September 2020 at CAD Lab, Mechanical Engineering Department.

The Faculty Development program will widen the horizon of the faculty members in the rapidly changing teaching pattern. This FDP session will strengthen and consolidated through theoretical and hands-on practical experience with CAD Software like Solidworks.

I take this great opportunity to cordially invite you to the Faculty Development Program starting on 7th September 2020 at 10:00 AM.

Looking for your valuable presence.

ONE WEEK FACULTY DEVELOPMENT PROGRAMME

On

“Hand on Experience on Solid-Works Software”

Date: 07/09/2020 to 12/09/2020

Day: Monday to Saturday

Activity: FDP on “Hand on Experience on Solid-Works Software”

Organized By: Mechanical Engineering Department

Expert Name: Mr. Anant Dixit

Attended By: 19 participants

Objective & Aim:

The Faculty Development Programme session on “Hands-on Experience on Solidworks” was held in Mechanical Engineering Department to understand the CAD software and its various features and commands. The FDP was organized with real-life examples to provide practical knowledge which helps Faculties to enhance their teaching skills.

Profile of the Speaker:

The training session was taken by **Mr. Anant Dixit**, Assistant Professor from Mechanical Engineering Department, CDGI. He is a certified trainer of Solidworks and had 3 years experience of teaching CAD Software.

Brochure of the Session:

M. Anant Dixit
Principal

CHAMELI DEVI GROUP OF INSTITUTIONS, INDORE

One week Schedule of the Activity:

S. No.	Date	Topic
Day-1	07-09-2020 (Monday)	Introduction to Solid works Software
Day-2	08-09-2020 (Tuesday)	2-D Design and its Basic Sketching Commands
Day-3	09-09-2020 (Wednesday)	Introduction to Extrude Feature in Solid works
Day-4	10-09-2020 (Thursday)	Revolve Command and Pattern feature in Solid works
Day-5	11-09-2020 (Friday)	Loft Boss Command and Lofted Boss Command with the help of Reference Plane
Day-6	12-09-2020 (Saturday)	Assembly in Solid works and Basic Mate Commands

Summary report of the Activity:

The spokesperson Mr. Anant Dixit very nicely elaborated the Solidworks and its various basic Features that help Faculties to easily draw models for their respective subjects. The Faculties get a Hand on experience with Solidworks software which enhances their design skills. The 2-D Design will enable faculties to draw and elaborate on various sketches. The revolve Commands will help the designer to produce complicated cylindrical shapes very easily. The Pattern features will reduce the repetitive steps for copying the various parts. Reference Planes in Solidworks help in modeling complicated shapes of asymmetry objects. Assembly features of Solidworks will help the participants to assemble various parts and produce complicated assembled objects very easily. Overall the whole FDP sessions will be very informative and fruitful for participants.

Staff Development Program On
"Imparting Soft Skills & Life Skills"

Date:13/08/2020 to 21/08/2020

Activity:Imparting Soft Skills & Life Skills

Organized By: Dept. of Computer Science and Engineering

Expert Name: Mr. Vikrant Sharma and Mr. Ankit Chakrawarti

AttendedBy: 13participants

Objective&Aim:

The aim of the SDP was to provide practical orientation and various life skills to non-teaching staff members and helps them in building and improving their skills in communication. So that they will be able to deal effectively with demands and challenges of everyday life.

ProfileoftheSpeaker:

The SDP was taken by **Mr. VikrantSharma** and **Mr. Ankit Chakrawarti**,Assistant Professor in Department of Computer Science and Engineering, Chameli Devi Group of Institutions, Indore.Mr. Vikrant Sharma has done post-graduation with specialization in Information Security from DAVV, Indore. He is having 14 years of experience in teaching domain and 2 years of industrial domain.Mr. Ankit Chakrawarti has done post-graduation with specialization in Computer Science and Engineering from MIT, Indore and pursuing Ph.D from RNTU Bhopal in CSE Stream. He has published more than six research papers in international and national conferences journals & Scopus indexing. He is having more than 4 years of experience in teaching domain.

Schedule		
S. No.	Day/time	Topic
1	Day-1 02:30 AM to 04:30 PM	Effective Communication
2	Day-2 02:30 AM to 04:30 PM	Interpersonal Relationship
3	Day-3 02:30 AM to 04:30 PM	Decision Making
4	Day-4 02:30 AM to 04:30 PM	Negotiation Skills
5	Day-5 02:30 AM to 04:30 PM	Self-Awareness and Empathy
6	Day-6 02:30 AM to 04:30 PM	Coping with Stress and Emotions
7	Day-7 02:30 AM to 04.30 PM	Problem Solving

One Week FDP on Universal Human Values

Date: 13/7/2020 to 18/7/2020

Activity: Online FDP on Universal Human Values

Organized By: Department of ESH

Attended By: 25 Faculty members

Objective & Aim:

Value based education has become an integral part of the National Education Policy 2020. Human Values and Ethics define the quality of a person or an organisation or society at large. Educational institutions play a critical role in building an ethical society. The fundamental characters of children are formed in educational institutions. The Human Values and virtues orientation implemented and practised in Higher Educational Institutions (HEI) heavily influence the future generations. Through education and universities, the realization of meaning and purpose human values and ethics is enabled and its larger outcome is benefited by the stakeholders of the society. Value based education is likely to help human being to rightly assess his aspirations and his role in the order of nature.

Therefore, present program intends to introduce the faculty members to the Universal human values to make them aware about their roles and responsibility as a human being in the broader context.

Objectives of the FDP:

1. To assess the need for professional ethics & values among teachers.
2. To inculcate of Human Values and Professional Ethics.
3. To promote academic integrity among participants to have a trustworthy and high-quality academic output from higher education institutions.
4. To explain operational guidelines for value-based practices in all walks of life.
5. To identify and indicate the outcomes of creating a value-based eco system.

Poster of the FDP:

One Week FDP on
"AWS Solutions Architect
Certification"

Date: 17/01/2022 to 22/01/2022

Activity: One Week FDP on "AWS Solutions Architect Certification"

Organized By: Department of Computer Science & Engg. and Information Technology

Expert Name: Mr. Pushjeet Cholkar from PITC Solutions

Attended By: 10 participants

Objective & Aim:

The AWS Solution Architect Certification Program is one of the most demanding cloud-based certification programs that will help our students to align with current cutting-edge technology. Our objective is to first conduct the mentioned training for faculties for 3 days (8 hours/Day) containing hands-on sessions on AWS modules which will help faculties to get the AWS Solutions Architect Certificate and become the AWS Educator. Later the same faculties will train the 3rd year students of CS/IT on the AWS certification training course which will help students for their certification.

Profile of the Speaker:

An experienced and Certified AWS /Oracle / DBA/Unix/Linux Trainer. In pursuit of challenging assignments that would facilitate the maximum utilization and application of my broad skills, interpersonal skills, strong functional knowledge, analytical abilities, and expertise in making a positive difference to the organization. Technically proficient and expert in Oracle Database (Releases 8i, 9i, 10g and 11g, 12C, 18c, 19c) DBA, SQL, PL/SQL, Java, Advance Java, HTML, JQuery, CSS, C# .net, having experience of 12 Plus Years.

Summary report of the Activity:

Following AWS modules were covered day-wise through hands-on sessions:

Day 01 : S3 (Storage), Storage Class and Cors

Day 02: Compute Layer, EC2 instance with AMI, Dedicated, On-Demand, reserved Instances and Placement Groups

Day 03: Database Layer, ACID Compliance, Dynamo DB, Security Controls and Schema Migration

Day 04: Networking Layer, Public and Private subnets, Security Groups, Load Balancing and Virtual Private Gateway

Day 05: Identity & Access Management, Elasticity, Cloud Watch and Automation

Day 06: Caching, Building Decoupled Architectures, Microservices, Serverless Architecture, Disaster Planning and Recovery

Handwritten signature and date: 19/01/2022

Activity Processing (Feedback Analysis):

The conducted one week FDP on AWS certification training was very helpful for the participating faculties. Most of the sessions were based on Hands-on practical. Trainer had tried his best to resolve all the participants queries. The received FDP feedback was excellent and trainer scored very good marks in all the areas. The same was reflected with the help of graphical analysis.

Also, after the completion of FDP, one MCQs based quiz had also been scheduled to evaluate the learning of the participants. The below insights show participants quiz scores that lie in the range of 17-23 out of 25 points, that represents good participants learnability.
