- 1) What is the complete Title of the proposed Invention/ Idea (Maximum word limit: 15) with the complete details of all the inventors (Complete Name, Affiliation(s), Email id., and Contact Number)?**

Ans.

TITLE OF INVENTION:

Name of Applicant: **Can be Institute/ Owner/ Inventor(s)**

List of Inventor(s):

Inventor1 Complete Name:

Inventor1 Affiliation(s):

Inventor1 Email id.:

Inventor1 Contact Number:

Inventor2 Complete Name:

Inventor2 Affiliation(s):

Inventor2 Email id.:

Inventor2 Contact Number:

You can add up to four number of inventor(s).

- 2) Please place the supporting Pictorial/Diagrammatical representations related to the proposed Invention/Idea that is to be patented (6 images from different views i.e., front, rear, top, bottom, left side, right side and perspective view of the article)?**

Note: The images should contain only the article that has to be registered. It should not contain any other object.

Ans.

**National Conference on Startup, Patents & Copyrights
(NCSPC-2023)**

- 3) (a) Is there any market product(s)/process(s)/technology(s) available currently that is/are similar to the proposed invention/idea? If yes, briefly describe or compare how the proposed invention is different from the available product(s)/process(s)/technology(s)?**
- (b) What could be the possible benefit(s) of your proposed Invention/Idea?**
- (c) Kindly explain if any, real world problem(s) is/are solved by the proposed Invention/Idea?**

Ans.

National Conference on Startup, Patents & Copyrights (NCSPC-2023)

- 4) Have you published or disclosed the proposed Invention/Idea (or any part of the same), anywhere before, in the form of any Article/Research Paper which is available digitally or in print media, or demonstrated the same in public which is recorded and available in any video form? Provide details (Date, Place, and Reference Link)**

Ans.

- 5) Please share, if applying/have received any Fund(s) against the proposed Invention/Idea.**

Ans.

- 6) Please share, any other miscellaneous/above-not shared information with respect to the proposed Invention/Idea?**

Ans.

- 7) If any, query/ suggestion inventors want to share with the NCSPC team?**

Ans.
